Name: SHAWNEY

Age: 24

Lives: Hamilton

Hi Shawney, what's up?

Cock?

Correct. What's your ideal date?

An expensive dinner and champagne with a strong, rough, good-looking, and... established man.

Mmmkay. Would you accomodate a girl instead?

I like girls. If they're slender, blonde, young, smell good, and have nice tits.

Do you eat the pussy?

Sometimes.

That's good. What's your favourite sex act?

I like to be told what to do. I like rough sex.

Ruff sex? With dogs? Shame!

Nooooo, jackass. Rough sex. Pound me from behind and pull my hair!

# GETTING OFF

**Hey Tiffany, how are things?**

I'm very well. How are you?

**We're likewise well. But you may've misunderstood us. By "things" we specifically meant your pussy and boobs?**

Oh, those things! Those things are fine. No complaints!

**Cool. What would a guy have to do to get breakfast at Tiffany's?**

He'd have to be confident, funny, and treat me well.

**What's your fave sexual position?**

I think variety is best. Doggie, spoon, missionary... as long as it's intense.

**What's the best part of sex for you?**

A long build-up leading to a powerful, intense orgasm that shakes me from head to toe.

## MOURNING BECOMES ELECTRA, SAYS NZX IN A LITERARY REFERENCE SURE TO BE LOST ON EVERYBODY BUT THE FAGGIEST

### WHITNEY HOUSTON HIGH ON LIFE... AGAIN... SHEEET... BITCH AZZ...

NEW YORK — Diva WHITNEY HOUSTON whose multi-octave vocalising has thrilled generations of pre-menopausal women and homosexuals to no end, has finally succumbed to the meddling ministrations of so-called do-gooders and checked herself into the WHAT THE HELL IS YOUR GODDAMNED PROBLEM? WILLOWS Drug Rehab Center.

The star — who is married to another COCAINE ACHIEVER R&B singer BOBBY BROWN — released a statement via her publicist Nancy Seltzer.

Seltzer told reporters, "Whitney thanks everyone for their support and prayers and says, and I'm quoting 'Ooooo... aroom. Hehehe... sheeet. Y'know? Bitch azz...' It goes on for a few more pages but I think that sums it up. Well."

Houston in the Triple Crown of Cocaine was arrested in Hawaii in 2000 for being in possession of marijuana, crack, and crackedy crack crack, and has a well-documented history of narcotic use, shakily delivered blowjobs to valets, and shoplifting non-essential items like disposable douches for later resale despite still being worth more than \$20 million annually.

In December, Brown was charged with a misdemeanor battery following a violent, crack-fueled altercation with his wife, who he had discovered ass-up under their gardener, RAMON. He is currently serving a 60-day prison sentence for breaking his parole.

The couple are parents to a 10-year-old daughter, Bobbie.

### CARMEN ELECTRA'S TEARS FOR TITTIES PROGRAM

LOS ANGELES — *Starsky & Hutch* beauty and pursuer of multiple sex contacts with crazy Negroes CARMEN ELECTRA now regrets getting her breasts enlarged and bemoans the absence of surgical tech advances that

would help her figure out how to make the exponentially increasing jugs even somewhat smaller.

The sexy actress shows off her 36DD implants constantly and continually in the new movie, on the set, at the supermarket, wherever and whenever she sees a crowd forming, but she now wishes she never had the operation, because her bust was big enough already.

Electra says, "I do regret it sometimes, I think I was fine the way I was. I had nice boobs before — they were small, but nice."

Electra, generally riven with regrets both large and small, regrets not staying at her last serious job as a greeter at Red Lobster, buying the pearl-coloured Rolls Royce instead of the puce, and not having any discernible talents outside of her

I HAVE LIKE BIG GIANT TITTIES AND SHIT.

ability to turn tits into cash.

She adds, "Of course I could have them undone and reduced. I mean when they finally figure out the technology. But my near-homosexual husband DAVE NAVARRO carefully explained to me that without them, um, I got nothing. Go figure."

A teary Electra concluded, "I'd... I'd give it all away. All of it. For just one more chance to live a life that is one act of constant goodness. Agggghhh... I GOT YOU!!! HAHA... MORE COCAINE FOR ALL MY FRIENDS!!!"

### BRITTANY MURPHY'S ERRATIC BEHAVIOUR

HOLLYWOOD — Hollywood star and semi-slut BRITTANY MURPHY infuriated journalists during her recent promotion of her newest crappy movie due to her wildly erratic behaviour that suggests nothing if not her joining the latest celeb sorority of the HIGH and MIGHTY.

Murphy shocked assembled reporters when she decided to lie down in the middle of a press conference and put a napkin over her head, explaining she was tired of people looking at her.

The star also repeatedly rubbed a journalist's hand, telling her she looked cold, until the reporter finally forced Murphy to let go, as she was unable to write anything.

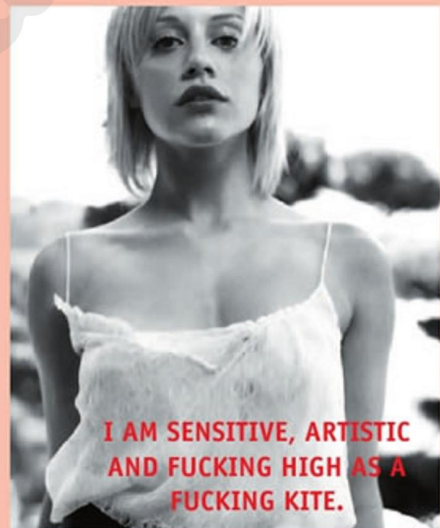

Then a TV crew had to abandon attempts to interview the 26-year-old because she kept singing, rather than answer their questions.

Murphy's representatives explained her client's behaviour was

due to her "natural warmness."

"Brittany's just a really sweet person. You know how some people have that wall built? She doesn't. She's very warm and welcoming. And high."

They continued, "She's an outgoing person. Outgoing to score. Outgoing to get high. Outgoing to gum the turgid members of her quasi-drug dealing retinue. I mean she's not one of those people who just sits there cold in a chair..."

I AM SENSITIVE, ARTISTIC AND FUCKING HIGH AS A FUCKING KITE.

# WEIRD WORLD

Time for more wonderful wackery from the way-out world of wank. At right, a blonde spreads her cheeks. If you concentrate and look carefully, you'll see Frodo hiding in her anus.

In the middle row of pics, left to right: 1) "Hmm, wonder what'll happen if I pull this out?" 2) "You like my tits?" 3) There's no cock on Silvia Saint. And surprisingly, no cock in her either.

The bottom row: 1) A dildo straying in the direction of Uranus. 2) This time a vibrator, straying in the direction of Uranus.

Hi Alisha. You look good in a maid's costume. Wanna come over and vacuum the house?

I'll pass on that.

There's milk and cookies.

Oh, okay then.

Will you bend over when you're dusting so we can see your butt?

Of course. That's how you have to behave in that costume.

And speaking of your butt, you slip in a vibrator in this photo shoot.

That's right. Anything for the camera!

D'you like cock in your butt?

I much prefer it in my pussy. Or in my mouth. Then back in my pussy. Then back in my mouth. Then maybe in my arse... if I'm horny enough!

What else d'you like in your mouth — a big load of man-spool?

I prefer milk and cookies. But cum's alright... if I'm horny enough!

# LIFT U UP

Sure to add some weight to your cock, here are some shots from website [www.beautease.com](http://www.beautease.com) of US porn slut Teanna Kai wearing a dress that's EXACTLY THE RIGHT LENGTH. Teanna started as a *Penthouse* pet before graduating to the fine and dandy world of fuck n' suck movies.

In a move bound to surprise no one, Rockin' Rachel Hunter has finally fulfilled her potential and posed starkers for *Playboy*.

The kiwi supermodel, known to women's mag readers as "Our Rach," even appears with a gag tied over her mouth, presumably at the suggestion of her publicist.

The serial rock star seductress, whose conquests include Robbie Williams, Leonardo DiCaprio, the singers from Winger, Oasis, Sugar Ray, Steven Adler from GN'R, Rod Stewart, Mark Wahlberg, and probably more, shows a fine pair of knockers and, alas, no pink.

Rachel also recently caused a stir in the video "Stacy's Mom" by pop band Fountains of Wayne. In homage to the movie *Fast Times at Ridgmont High*, Rach inspires a young lad to have a wank.

Here's a vote for the two girls called Trinity you've had in your mag. It's good to see hot kiwi chicks like that showing their stuff. How 'bout getting more small town girls? That'd be the best thing to happen to this town since Lotto. Cheers bro.

## MY BOOBS ARE LARGE

I didn't think you would print my letter last issue but thank you for doing so. For anyone wondering, I am Middle Eastern woman but I don't dress traditionally. I favour short skirts. I have many of those and wear them with halter tops. My boobs are large and I like the attention I get from plunging necklines. If I see a man staring at me I always look to his crotch to see if he has a bulge. That gives me a thrill. Oh, and despite owning so many short skirts, I don't own a single pair of panties!  
**Zina, Auckland.**

## FROZEN FOOD

I have a fetish for seeing women's nipples poking through their clothes. I don't hang out in the frozen food section of the supermarket but yes, I'm tempted. I think this began when I was a kid and saw Farrah Fawcett's nipples poking through her shirt in *The Cannonball Run* — what a great movie that was. Anyway, please take this into account in your mag and print some nipple pokies.

Movie: *Coconut Holiday* (© Private).  
Model: Veronica Sinclair.  
Scene: Rocking the boat.

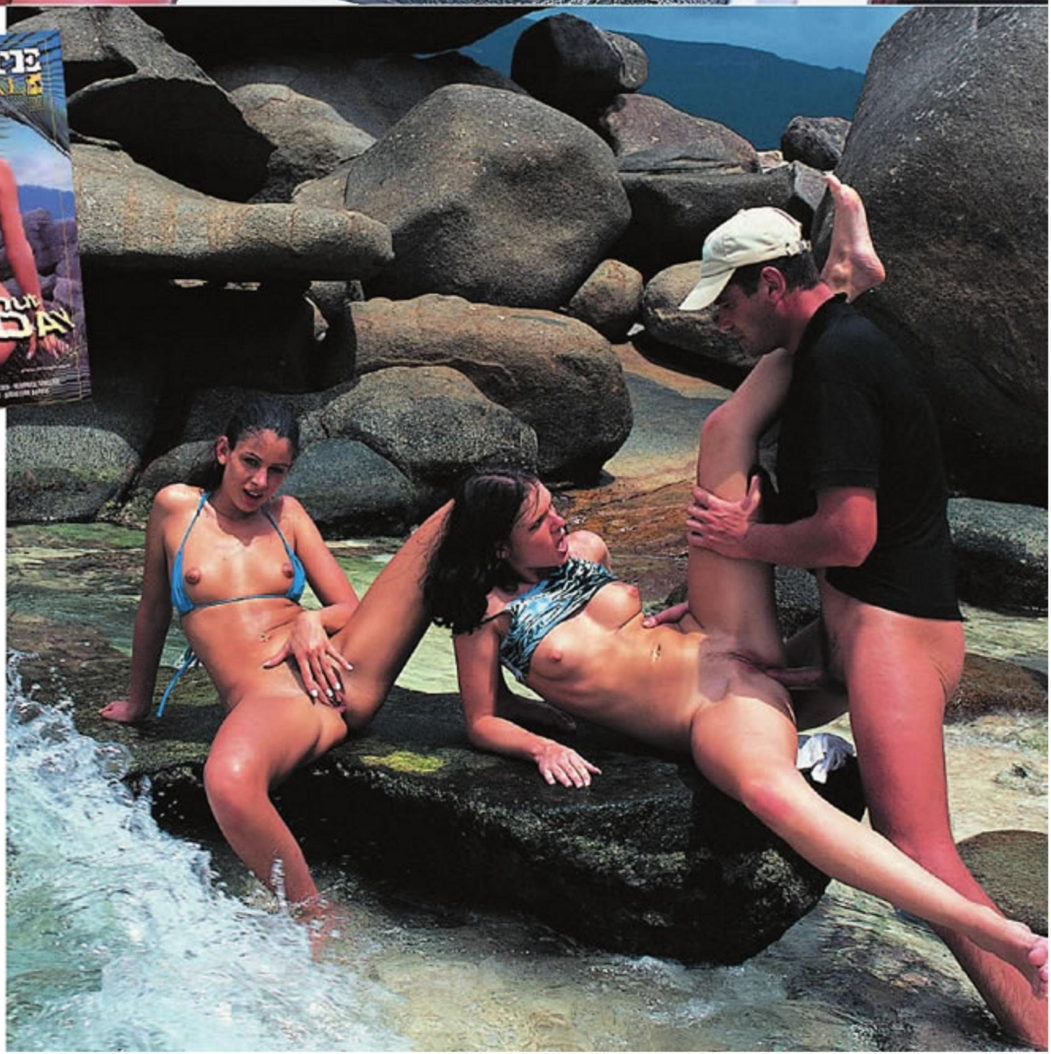

**T**he newest title in Private's Tropical series, *Coconut Holiday* is filmed on the beaches of the Seychelles.

The plot concerns a group of schoolgirls up to no good on an end of year holiday. None of these schoolgirls are under 18 so we guess they were held back a few years. Probably too busy **SUCKING COCK IN CLASS**.

The girls blackmail their stuffy teacher and that's their passport to freedom. If by freedom you mean getting fucked in the arse while the waves wash over your toes. And taking a huge blob of spoot in your mouth.

Lotsa hot girls in this one and all the action takes place outside under the sun — a nice tonic as we head into colder weather at home. Also note: in the bonus interviews, one girl reveals she prefers anal to vaginal sex. It's "better" for her.

# Coconut HOLIDAY

I'd been tutoring Marina for about three weeks now, giving English lessons two times a week. Each time, we had sex as well. She was learning her sex education very well!

She'd learned every word I could think of for cock and pussy, she was giving me terrific blow jobs, she enjoyed my oral sex, and each week we would fuck each other.

We'd even started seeing each other outside of our tutoring sessions, although no dating yet as her father was very strict about that. Each time I went to the house I was greeted warmly with hugs from her mother and compliments on how well she was doing with her English since getting my help.

Saturday I went over to her house for a cram session because of a big test coming up Monday. I rang the bell, but instead of Marina I heard her mother's voice on the intercom saying, "Come around to the back please."

When I opened the gate to the yard I saw Mrs. Sandoval reclining in a lounge chair at the edge of the pool. "Hi Mrs. Sandoval, I was supposed to tutor Marina today, is she here?" "I'm afraid she's not here at the moment. I think she went shopping with her friend."

I moved to go, and started to say goodbye when Mrs. Sandoval called to me. "Stay for a few minutes. I'd like to talk to you. Can I get you a drink?" I told her sure and took the chair next to where she had been sitting.

Mrs. Sandoval got up and headed for the house. I could see where Marina got her looks. Her mother had a beautiful arse that swayed side-to-side as she walked away from me — no bounce either. Not bad for a woman her age.

Her breasts were lovely to look at too. In her bikini they were barely covered and looked to be 40s easy, but very firm. As were her legs. She must work out I thought to myself.

I could see Mrs. Sandoval through the glass doors standing in the kitchen. She took ice and put it in my glass and then took one cube and began to rub it along the sides of her neck.

Water dripped down her shoulders, she took the cube and began to rub it along the top of her breasts. I wondered if she knew I could see her. If she knew, she didn't seem to care.

She took the cube and rubbed it in her cleavage and then along the top of her swimsuit over her nipples. Her eyes

were closed and she seemed to be enjoying herself. She stopped when the ice cube had melted to nothing and picked up the tray and headed over for where I was.

I knew my cock was hard already. There wasn't anything I could do to hide it. I figured drink the juice and hit the road before she notices the bulge in my shorts.

She came to where I was sitting and bent at the waist to offer me the tray. Her breasts were at eye level and I could see that her nipples had hardened from the ice cube.

"If you see something you like, take it" she offered. Damn, I couldn't resist. As I reached for my drink I let my hand brush up against the nipple of her left breast. I heard her suck in a little breath, but she said nothing to me, and lay back down on her lounge chair.

"My daughter tells me she likes you very much, and that you are a very good tutor." "Thanks" was all I could mutter.

"My husband and I have seen improvement in her grades since you started with her" she continued. "She tells me you are very good with the sex education." This time it was me who gasped.

"Uh, well Marina is a good student and a quick learner" I stammered. "She asked a lot of questions that I tried to answer" I lied.

"Marina tells me that you have hands of velvet, but another part of you is like stone." I just stared at her, I didn't know what to say. "Perhaps you can show me these things? I would hate for my husband to know that Marina's tutor was also her lover."

Christ, now she made it clear — if I didn't play along she would let her old man kill me. I replied, "If I can show you something, I would be glad to..."

Mrs. Sandoval undid the strap of her swimsuit top and released her lovely tits. She handed me the suntan lotion and said, "I don't wish to burn, will you help me?" I poured lotion in my hands and started to cover her breasts with it.

Each fleshy mound moved under my fingers. Her nipples were already hard and I drew little circles around each one, pinching the nipples between my thumb and forefinger and watched as she closed her eyes and smiled.

"I don't want to burn anywhere" she said as she turned over, "Can you do the back?" I reached down and pulled her

bottoms off her legs.

From the rear I could see her dark pussy lips were already becoming excited. She opened her legs just a little, enough so my hand could reach her cunt lips. I dripped lotion along her spine and in the crack of her arse. It made her shiver and she moaned softly.

I massaged the lotion into her shoulders and back, and then moved to her tight arse cheeks. I kneaded each one and let one hand rub her inner thighs just barely touching her pussy lips each time I got near them.

Mrs. Sandoval moved her arse up, raising it off the lounge chair so that my fingers could enter her love hole. I let two fingers slip easily inside her wet passage and massaged the walls of her pussy.

"I feel the velvet hands, but what of the part that is like a stone?" she whispered to me. As I stood to remove my shorts Mrs. Sandoval sat up and helped me undo my belt. She took my pants and pulled them from me and did the same with my underwear.

Her hands were suddenly everywhere. One stroked my cock up and down, the other cupped my balls and squeezed them gently. I could feel her breath on my belly as she put her face near me.

This was incredible, she was even more lovely than her daughter and I was about to have her! Her lips closed on the tip of my cock, she reached around me and held my arse in her hands, her fingernails digging into my flesh.

She pulled me to her, letting my dick slip into her mouth until I felt it hit the back of her throat. Then she slowly pulled it out and started again. She took her time, letting me fuck her face easily, my balls banging her chin each time she took me in her warm throat.

When she could feel I was about to cum, one hand began to squeeze my swollen balls, ready to milk them of all the cum I had in them. I felt myself tighten and then let go with a hot stream of cum.

It startled her at first but she kept swallowing — like daughter, like mother! My hips bucked, my cock went deeper into her mouth and she milked my balls, letting her finger play with the spot just behind them.

When I finished I fell back to my chair and collapsed. She smiled and got to her knees and licked me clean. "My daughter was right. You are very good at

this sex education, but now you must teach me a lesson tutor."

"Did you have something in mind" I stammered. "My husband does not wish to do what you call oral sex. I wish to know what it feels like. Perhaps you can teach me as you have my daughter?"

I had Mrs. Sandoval lay back down on her chaise lounge, with a leg on either side so her cunt was completely open to me. I folded the end of the lounge down so that I could kneel between her legs.

"Close your eyes and relax" I whispered as I took her leg in my hand and began to put kisses on her ankle. I slowly worked my way up her leg, licking and kissing her calves, the back of her knee, and finally her inner thigh.

She squirmed as I got closer to her pussy. I could smell her lovely sex scent, and felt with one hand that she was already wet between her lips. As my warm breath blew across her soft pussy she moaned and began to touch her own nipples.

I covered her cunt lips in soft kisses, every once in awhile pulling on the lips with suction to open her to me. Her juices were already flowing and I tasted her sweet flavour in my mouth.

Using my thumbs I opened her lips to my tongue and let it circle her clit, flicking it over and over and biting it between my teeth. Mrs. Sandoval was bucking her arse off the lounge now and one of her hands held my face between her legs.

My tongue continued to flick at her hot little button while my finger found her G-spot. The combination sent her over the edge. With a loud moan, that I'm sure her neighbours heard, she came in waves, her pussy walls closing on my finger and tongue.

I lapped at her wet cunt, sucking up each drop of her sex juice. When she had finished her orgasm she let out a soft sigh and let her body relax. "My daughter is very fortunate to have a tutor of such skill" she grinned.

"Yes mother, I am and I didn't expect I would be sharing him with you" Marina declared from the patio door!

"She threatened to tell your father we were..." "I know what she said" Marina interrupted me. "I heard every word. I've been watching since you started. If you wanted to see how good he was mother, why didn't you just ask to watch?" she glared at her mother.

Marina started to walk toward us, and

as she did she pulled off her T-shirt, unbuttoned her mini-skirt and stepped out of them as she walked across the patio. She said, "I'll show you what we do mother!"

I was still on my knees when Marina reached us. She took my head and shoved it between her legs, "Now show my mother how you eat me."

I ate her like a starving man. I let my mouth pull at her cunt lips, my teeth scraping along the soft folds of skin. My mouth covered her entire pussy at times, my tongue licking and forcing its way into her warm tunnel.

My hands dug into her arse pulling her into my face, and her hips ground her wet mound into my mouth. I could barely catch my breath, but it was incredible. We were like animals, and we were doing it in front of her mother!

I felt Marina stiffen and then she came in a shuddering orgasm, the strongest she'd ever had. Wave after wave washed over her and her juices covered my face. I sucked hard on her clit making her shake and shiver with every touch.

When she was finished she collapsed on a beach towel, but she wasn't done with me yet. "Fuck my arse" she spit out!

We'd never done that before. She got to her knees and elbows, her arse high in the air, her legs spread and dripping with her own juices. I poured suntan lotion on her arse and placed the tip of my swollen cock at her opening.

Marina stiffened herself and I began to push slowly into her virgin arsehole. She was very tight and my cock fought for each little piece of space, but soon the head had disappeared inside her. She forced herself back and I met her movement with thrusts of my own.

My cock now moved easily in and out of her tight little tunnel and she urged me to fuck her harder. I pushed my cock deep into her tight ass, my balls slapping her skin with every push.

Mrs. Sandoval watched us intently, her hand fingering her own pussy as she saw her daughter getting fucked up the arse. "Is that what you wanted mother, to see him in action?"

"I am wrong but it feels good" Mrs Sandoval replied. And with that she plunged two fingers deep inside herself to trigger her own orgasm.

I too came, spewing hot cum deep in Marina's arse and the three of us fell into a pile on top of each other by the pool. •

It was my first year at uni in Auckland and I'd been dating my current girlfriend Lanelle for about three years at the time. We had both had our moments of infidelity, but for the most part nothing more serious than a drunken grope with someone else. All of that was about to change this particular night.

I considered Lanelle to be extremely attractive, as did most of my friends — they made a point of telling me quite often. She stood about 5'6" with blonde-streaked hair. Her figure was the type that would've made her a movie star in the 1950s but in today's age of waif models had lost some of its lustre for a lot of guys.

Nonetheless she was very pretty, with curves that could kill a guy and a sweet, innocent face that begged to be used.

Her full breasts measured a solid 38D, featuring large pink nipples that seems to be hard regardless of the temperature. They stood about a full inch out from her breast, about the size of a .38 caliber shell.

Her chest gave way to an incredibly skinny waist in light of her ample curves. I'd personally measured it to be a mere 24 inches around, highlighted by a sexy belly ring.

Her tiny waist gave way to a very round arse and wide hips. They measured a solid 38 inches, and provided a dramatic contrast to her small waistline. It was not that her butt was big, but it had its share of extra flesh on it that would jiggle when naked.

Frequently Lanelle would go without underwear when... *continued page 36*

From page 26... wearing a tight skirt, just to get that little extra shake to her rear when she walked. All in all she was a beautiful girl, and personally, the girl of my dreams.

Now that you have an idea of the girl, I'll go on to tell you the story of what was probably the most erotic, yet disturbing, night of my life.

It all happened the one and only night Lanelle and I decided to try out cocaine with some of my friends for the first time. We'd all gotten quite high, and Lanelle being the only girl present, was getting quite a few admiring stares from my friends — and from me.

Before I knew what was going on, she was seated next to Scott and he began to rub his hand up and down her thigh. They'd been friends for quite some time, but this seemed a little bit ridiculous. Nevertheless, I took another line, and it apparently gave me the strength to let this continue going on.

Soon his hand progressed to her belly, then up her shirt to her tits. I could not believe what was happening, but I was powerless to stop it. As I started to get up to stop this from happening, the two friends I was sitting next to grabbed my arms and pulled me back down. They said Lanelle needed to have this night, and I was going to watch whether they had to hold me down or not!

Before I knew it, her shirt was off and everyone in the room had a perfect view of her round tits filling up her lacy black bra. She quickly removed this and exposed them for all to see.

The next thing I knew she'd pulled off her skirt and panties and began grinding herself on Scott's lap. At this point all five of my other friends pulled out their cocks and were openly masturbating.

Lanelle moved to her hands and knees and opened the fly on Scott's jeans. She began feverishly sucking his cock in and out of her mouth — something she would NEVER do for me. I found this to be quite disturbing.

Blair quickly knelt down behind her plump ass and began to rub his cock up and down her moistening pussy lips. His dick was much bigger than mine, probably eight inches long and nearly the width of a beer can.

As Lanelle continued to suck on Scott, I could see from the look in his eyes that he was about to cum. This had gone too far but there was nothing I felt I could do to stop it. I yelled to end this, but no one, including Lanelle cared to listen to me.

Before I knew what was happening, Scott pulled his cock from Lanelle's mouth and began to pump cum onto her pretty face. The first squirt hit her squarely on the forehead and it just kept coming. It ran down her checks, into her mouth and dribbled off her chin. All said, he must have hit her face with five solid jets of jism, then finished off the rest into her mouth.

About this time, Blair slipped his cock into her pussy and began stroking her hard. She was screaming now, "Fuck me like a whore" and "I want to be your

slut" along with many obscenities I'd never heard from her.

Michael replaced Scott and began to get his dick sucked off, and I began to worry that Blair was about to come in her pussy. This concerned me because on the night before, she'd told me we couldn't do it because it was the time of month when the risk of pregnancy was too great. She'd gotten off birth control about three months ago and we'd been cautious since.

But it didn't seem to matter on this night. She started begging for Blair to cum inside her, and I knew in a minute he'd accommodate her. I yelled not to do it but it didn't help.

I saw his face tense up as he pushed his large cock deep inside her and began shooting his seed up into her vagina in hopes of impregnating my lovely girlfriend.

One by one they all took turns on my beautiful girl as I watched in horror. Stan pounded her doggy style and I watched the fat on her butt jiggle as he pumped in and out of her pussy, her big tits swaying back and forth.

When the time came, he pulled out and began coaxing a monster load from his cock. It squirted on her butt, then all up her waist and back.

Sourav turned her over and fucked her missionary position, which gave me a perfect view of his cock sliding in and out of her pussy. When he finished, he withdrew his cock and shot his load all over her belly.

I watched in horror as my so-called friends fucked my girlfriend all night long, alternating between her and doing another line. They came in her face, in her hair, on her tits, her arse, and anywhere else they could find.

James even screwed her up the arse, and had her begging for more like the whore she was. Eventually I went up to my room because I couldn't take watching it anymore.

The next afternoon, I awoke to find her next to me, all cleaned up, but still naked. Part of me would like to think it was a bad dream, but I know it wasn't.

Every now and again when they think I'm not listening, one of my friends will make a snide comment referencing "that night."

Needless to say that was the last time we experimented with coke. We're still together but we've never discussed that night again. •

# Rock HARD

**T**he second installment of Private's Sports range, *Rock Hard* is loosely based on the first *Rocky* movie. We say "loosely" cos the Rocky character engages in hardcore sex scenes. He also enunciates his dialogue clearly and audibly.

A boxer from the wrong side of the tracks, Rocky trains in a freezing works, pounding frozen meat carcasses in lieu of punching bags. Inevitably it's another kind of meat he's soon pounding.

Rita Faltoyano plays the part of Rocky's girlfriend and she gives him plenty of support. Mostly she gives him three warm holes to train his cock in. And ass-to-mouth.

Does he win? Does he get the girl? Don't be sly about it, watch and see.

# ASK VINNIE!

www.skullgame.com

Vinnie Rose is the NZX advice columnist. A former writer for *Hustler* and *GQ*, and proprietor of [www.skullgame.com](http://www.skullgame.com), Vinnie will answer all your sex questions. Write c/o editor@nzxmag.co.nz.

## I LOVE TITS. TOO MUCH. IN FACT, I'M TOTALLY AFRAID OF TITS. HELP!

Yo Vinnie,  
Big tits just kill me. Intellectually I know that it's the same as having small feet, or black hair. I know it's just a physical characteristic, but I'm obsessed by them.

I wouldn't say this is fucking up my life but when I meet a woman with large tits, I can't talk right. I'm afraid she'll know so I pay no attention to them at all, which makes it worse, since I have to use lots of energy to do this. This causes me to only fuck women with small tits and so this is the problem. I can't get what I want and I want it so much that I can't think straight.

Is there an answer here outside of hookers? — R.M. (by email)

Dear Mother, Jiggs and Speed: Yes. Yes, there is an answer. It's my patented

"I... WILL...  
CRUSH...  
YOUR...  
SOUL."

UGLY GRADUATION PRINCIPLE, which we usually sell for a modest \$19.95 (from [vinnie@skullgame.com](mailto:vinnie@skullgame.com)), but which I will share with you in skeletal fashion now for absolutely fucking nothing.

First: find the ugliest woman with big tits that you can find. No teeth? Fine. Crap caked to her ass? Perfect. Massively obese? Just what the fucking doctor ordered. Now, fuck her. If you can. You may not be able to, but don't let that stop you.

Now how do you feel? Disgusted? Uneasy. Nauseated? Oh yeah. It's okay, we won't make you go back. Now fuck one that while she has teeth only has crap caked to her massively obese ass. How do you feel? Only uneasy and nauseated? This is what we call progress.

Now repeat until you're fucking something that won't give you nightmares and your little problem will seem an amusing historical note.

## I GOT THERE ON TIME BUT SHE WAS NOWHERE TO BE SEEN. GOD I'M SO FUCKING PISSED!!

Yo Vinnie,  
What's the correct etiquette of response when you make a date with a chick and she doesn't show up? Move on and never contact her again seems the most noble. But, y'know, what if you still wanna fuck her? — P.O., Auckland (by email)

Dear Abby: Well your problem was common and compelling enough that I surveyed acquaintances what all on account of me never having actually ever been stood up myself and of course being all hungover and all like I am on Mondays and so I got a veritable panoply of response to your direly dainty predicament: read it and weep.

**THE ARGENTINE:** Do not overreact by, say, kidnapping the offending party and holding her in the hidden room underneath your garage until she confesses her undying love for you. Fuck

her friends one by one, powerfully and magnificently. She will then suck your cock. Come quickly, then head back inside for some canapes.

**ALLAN McD:** If you want to be a chump, continue pursuit. Forge on! Hand her your nuts on some crackers, with cheese. Or remember that: the world is full of holes. Stick to the ones that fit you.

**STEELY ROB:** I'll tell you a little story. I was in a fucking only relationship with this babe for more than three years. She never had any intention of dating me or anyone, really. She probably fucked

every dude she knew. Anyone that understood that was playing the game properly. The biggest sap? Her boyfriend. He didn't get the rules of engagement, and meanwhile the whole world is laughing its ass off. Don't be that dude.

**THE DOCTOR:** Getting laid isn't about: nobility. Grovel, slither, cheat, lie, and debase yourself because sex is JUST like sports and getting laid is JUST like scoring. The other team will do whatever they can to prevent you from scoring. You will probably have to try many times to score. Being shut down once means you must return with redoubled effort. I suppose that getting denied on the tryline and punted back to your own end would send you off to the locker room to be noble? Check your pants, make sure you're not the girl, then get back out there sailor.

## I'M BORED AND NEED MORE COCK

Yo Vinnie,  
My husband is nice enough but my relationship with him has turned into

me as Mommy and him as the always apologising Sonny Boy. So what's my complaint? He doesn't lie, cheat or steal. He makes love to me for hours if I want. So what's my problem? What's his problem? What's our problem? Well, I'm tired of a lover and just really want a fucker. Translation: I want a lover and a fucker, what do I do? — Brenda (by email)

*Dear Trapped Like a Fucking Rat in a Trap: You want the cake and you want to eat it too? You want everything and everything else? You want your sandal wearing saint of a hubbie to turn into KOBE BRYANT in bed? Look, there's going to come a time when you do something that the rest of us here on Earth call WAKING THE FUCK UP. Wolves don't become sheep, cats don't become dogs, and a pussy stays a pussy. But there's good news: the brutal men you seek won't stick around anyway. So*

- 1) stay with the Hub,
- 2) fuck men like us when the mood strikes,
- 3) don't call us,
- 4) we'll call you and
- 5) the guilt is YOUR problem.

**I STEAL, I JERK OFF, IS THAT SO WRONG?!?!**

Yo Vinnie,  
I have a fetish. Well, no, it's not a fetish. It's. Well. Shit. I like to steal. Shoplift. Whatever. I can be wandering around a supermarket and in fact frequently DO wander around supermarkets with a dick stiff like a brick. Slip a chapstick in my pocket, run back out to my car and jerk off like jerking off is going out of style, but OF COURSE I'm concerned that my hobby might be causing me problems. Especially if I got caught. I am a lawyer. — G.N., Wellington (by email)

*Dear Dr. Phibes: What the fuck is wrong with you?!?!? What the fuck is wrong with YOU?!?!? Why can't you steal like other fucking lawyers do?? Hunh? I swear to god if I see you wandering around my supermarket with some chapstick in your pocket and a hard on (is that a chapstick in your pocket or are you just glad to catch a beating from me?), I'm going to have you arrested you degenerate fuck.*

**"YOU WANNA MESS WITH ME?! HUH?! DO YOU?! YOU DO? OH. SHIT."**

Porn fans who are also astronomers will know that a black hole is a field of such strong gravitational pull that matter and energy cannot escape from it. It's presumed to exist wherever a star has collapsed. The example seen here is believed to have exhumed two moons, one cock, and Dr. Spock.

**BIG

We're aware that some of our more, er, "enlightened" male readers like to sit on the fence as it were. If by "sitting on the fence" you mean mincing about with someone else's tackle. If by "mincing about with someone else's tackle" you mean throating someone else's cockmeat and slurping on their jizz. So here's a website — one of many — dedicated to chicks with dicks and women with wangers. Such as this sweet girl in a little blue dress.

**Do you prefer it in the butt?**

I love it in my ass. I'll do DP, double anal, ass-to-mouth, anything anal. Anything that's required of me.

**That's very professional.**

Well, this is my dream job.

# The Last MUSE

# The Last MUSE

A very "adult" adult movie, Private's *The Last Muse* follows a character played by Nikky Andersson as she becomes (to quote from the boxcover), "completely submerged in her passion and in a growing sexual transgression... [which] will lead her towards a limitless whirlpool of sex."

Which's a long-winded way of saying she's soon buried arse-deep in cock with cock deep in her arse.

With excellent lighting, the movie sustains a noir feel, giving an edgy mood to the fuck n' suck proceedings. Special attention's also given to the hair and make-up, ensuring the big name cast (Lynn Stone, Natasha etc) have never looked so beautiful with cocks in their butts.

Models: Natasha and Nikky Andersson.

# JOKES!

**Jeff** walks into a bar and sees his friend Paul slumped over the bar. He walks over and asks Paul what's wrong.

"Well," replies Paul, "you know that beautiful girl at work that I wanted to ask out, and I got an erection every time I saw her?"

"Yes," replies Jeff with a laugh.

"Well," says Paul, straightening up, "I finally plucked up the courage to ask her out, and she agreed."

"That's good!" says Jeff, "When are you going out?"

"I went to meet her this evening," continues Paul, "but I was worried I'd get an erection again. So I got some duct tape and taped my penis to my leg, so if I did, it wouldn't show."

"Okay" says Jeff.

"So I get to her door," says Paul, "and I rang her doorbell. She answered it in the tiniest dress you ever saw."

"And what happened then?" Paul slumps back over the bar again and says, "I kicked her in the face."

A man enters a restaurant and while sitting at his table, notices a gorgeous woman sitting at another table, alone. He calls the waiter over and asks for the most expensive bottle of champagne to be sent over to her thinking that if she accepts it, she's his.

The waiter gets the bottle and quickly sends it over to the girl, saying this is from the gentleman. She looks at the champagne and decides to send a note to the man. The note reads, "For me to accept this bottle, you need to have a

Mercedes in your garage, \$1 million in liquid assets, and seven inches in your pants."

The man, after reading this note, sends one of his own back to her and it reads, "Just so you know, I

happen to have two

Mercedes in my garage, I have well over \$2 million in assets, but not even for you would I cut off two inches! Send the bottle back."
